

## TSAVO SUN

TSAVOSUN

**Anti-fog sunglasses with removable foam padding for extra comfort and protection**

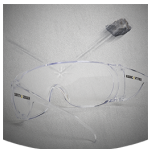

Robust safety sunglasses for more demanding outdoor applications. The **removable foam padding** provides additional protection by keeping out dirt, airborne particles and eye irritants. Tsavo Sun is treated with an **anti-fog coating**, protects against harmful **UV light** and does not distort **colors**.

- Polyamide temples
- Polycarbonate lens
- Detachable foam insert
- Lens color: grey
- Optical filter: 5-2,5
- Impact resistance: F (45 m/s)
- Coating: anti-fog coating
- Weight: 35 gr

335

Headband	N/A
Lenses	Polycarbonate
Frame	PVC
Temples	Polyamide
Category	Protection against high speed particles at extremes of temperature - low energy, Resistance to surface damage by fine particles, OF5 - Optical Filter 5 - 2,5, AF
Size range	EU UNI
Sample weight	0.030 kg
Norms	EN 166:2001

### Impact protection

The shatter-resistant lens protects the eyes against impact hazards.

### Anti-fog coating

The special lens coating prevents fogging in wet and humid conditions.

### UV protection

The lens filters UV light up to 385 nanometers.

### No color distortion

Colors are shown as they are, without any distortion.

### Foam-lined frame

Foam lining provides higher protection against dust and liquids.
